

FPH 7430 – Assignment # 4B - Budget Justification Template

Fixed costs for grant budget that cannot be modified:

Project Director FTE = 20% with an annual salary of \$60,000; This is your role!

Fringe Benefit rate: 20%.

Equipment costs cannot exceed \$5000;

Indirect Cost Rate = 8%

Indirect Costs

The Indirect Cost Rate is taken off of the \$100,000 before you budget for anything else!

The current approved IDC rate for the grant is 8%.

The total cost (8% of \$100,000) = \$ 8,000

TOTAL Grant funds requested = \$ 100,000

A. Project Personnel

Project Director – Keele Thomas

The Project Director (PD) provides executive oversight and is responsible for negotiating the MOU's with the two clinical provider partners. The PD ensure the clinical standards of the universal digital screening protocol are met and manages grant compliance.

The Project Director will operate at 20% of the full-time salary on the current project. (\$60,000 annual salary)

20% Full time rate (\$60,000) = \$12, 000

Project Coordinator

The Project Coordinator is a full-time employee responsible for implementation of the program goals, including the daily management of the digital screening platform and supervision of 20 Peer Mentors. The Coordinator manages the 48 hour referral loop to ensure identified students receive timely care.

The Project Coordinator will operate at 100% Full-time on the current project.

100% Full time rate (\$48,000) = \$48, 000

Total Personnel = \$60,000

B. Fringe Benefits

Fringe benefits are calculated at 20% of salaries. Fringe benefits are composed of health insurance, FICA, worker's compensation, and retirement.

Project Director (\$12,00 x 20%): \$ 2,400

Project Coordinator (\$48,00 x 20%): \$ 9,600

Total Fringe = \$12,000

C. Supplies

Office Supplies

Includes administrative supplies such as folders, toner, and paper for the Peer Mentor training and parent "opt-out" consent packets.

Total Supplies = \$500

D. Equipment

Laptop Computer (1)

One computer for the Project Coordinator to manage the HIPAA-compliant screening database.
The cost is **\$1,300**.

Cell Phone (1)

One cell phone dedicated phone for the Project Coordinator to receive immediate alerts from the screening platform and facilitate hand offs with clinical providers.
The cost is **\$200**.

Tablets (2)

Two tablets for students to complete the universal digital screening protocol on if they do not have or do not wish to use their own technology.
The cost is **\$500** per tablet

Total Equipment = \$2,500

E. Training

Peer Mentor Mental Health Certification

Twenty high school students will be recruited as Peer Mentors and will attend a certified Youth Mental Health First Aid training.

Registration and certification costs total \$100 per student ($\$100 \times 20 \text{ youth} = \mathbf{\$2,000}$).

Total Training = \$2,000

F. Travel

Local Mileage

In-state travel for the Project Coordinator to visit participating school sites and clinical partner offices.

Current rate per mile is \$0.375. Estimated miles to be traveled per month are 100 miles.

*Estimated cost for the 12-month (project year period) is **\$450** ($\$0.375 \times 100 \text{ miles} \times 12 \text{ months} = \450).*

Total Travel = \$450

G. Contractual

Clinical Protocol and MOU Consultant

A consultant will provide 17 hours of technical support to help the PD finalize the universal digital screening protocol and ensure all data-sharing agreements with the two MOU clinical providers meet strict HIPAA privacy standards.

The consultant will be contracted at \$100/hour x 17 hrs. = \$1,700.

Total Contractual = \$1,700

H. Meeting Spaces

Office Space

Shared office rental and utilities for the PC to conduct confidential student interviews and referral coordination.

Office space cost at \$170/month x 12 months

Total Meeting Space = 2,050

I. Printing and Outreach

Outreach

Development and printing of stigma reduction posters and referral brochures.

Posters at \$800 and brochures at \$493.

Total Printing and Outreach = 1,393

J. Other Direct Costs

Emergency Clinical Sessions and Universal Digital Screening License

A dedicated "Bridge Fund" to pay for immediate clinical intake appointments for students who are uninsured or underinsured. This ensures the 48 hour referral loop is not broken by financial barriers.

Bridge Fund = \$5,000

The annual license fee for a HIPAA-compliant, adolescent specific digital screening platform.

This software allows for universal screening of the student body and real-time "high risk" flagging.

Screening License = \$5, 000

Total Other Direct Costs = \$10,000

Total Grant amount requested: (must match everything you have written above) \$ 100,000
